Splendid Wines ~ Personal Service

We are proud to present our selection of wines, carefully curated alongside our Wine Merchant, Firth & Co. The selection has been assembled to complement our style here at The Blacksmiths; quality at the forefront of everything that we do, offering both value and a few treats to tempt.

Firth & Co are a specialist importer, working with numerous smaller, family owned estates, who strive for excellence in all that they do. A number of these wines are either certified organic, or at least practicing, and similarly with biodynamic practices, to not only ensure the protection of the vines and wildlife in the vineyards today, but also ensuring that they remain at this quality for generations to come.
